Re: State v. Boisey Levern Neal
Case No. K-2007-1393
Trial Date: 10/18/07 @ 9:00 A.M.

Dear Mr. Terech:

I have received your discovery request in this case. The entire file is open for your review with the exception of privileged materials as described in Maryland Rule 4-263(c).

Photographs and items of physical evidence will not be available in the State's Attorney's file. Arrangements for their inspection must be made with the investigating law enforcement agencies after notice to the undersigned.

I will not file a formal Answer to your Discovery Request unless you except to this procedure.

I note that you have filed certain motions pursuant to Rule 4-252. I am assuming that, at this point in time, you do not wish a hearing on these motions. If that is incorrect, please contact me and I will set them in for a hearing prior to trial.

Very truly yours,

Michael J. Duntz
Assistant State's Attorney
